COVER PHOTO — The Cortland women, in the autumn of 1986, became the first in the league to sweep all the State University of New York Athletic Conference championships — soccer, cross country, tennis, volleyball and field hockey — during a single season. In fact, since joining the conference in 1984, the Cortland women have captured 19 of 30 league championships. Coupled with the men's lacrosse title, Cortland led all SUNYAC schools in the conference team championships in 1986-87. (Photo by Dede Hatch)
